A NEW SEASON ... AND TIME TO PAY SUBSCRIPTIONS

The subscription for the 2018-19 season (September to June) is £175. Membership for those under 25 is free, and concessions are available for cases of difficulty (please talk to me about this if you want to know more).

Although the information about paying subscriptions is on the website, I thought it might be helpful to repeat it here:

- Payment can be made in full or in up to eight instalments. If you are paying in full, you can use cash, cheque, BACS transfer or standing order.
- If you have an existing annual standing order in place, please remember to update it before it gets paid at last year's rate.
- To pay in instalments, these can be set up online or you can make use of the accompanying standing order form. The subscription must be paid in full by April 2019 and suggested instalments this year are 2 at £87.50, 4 at £43.75, 7 at £25, or 8 at

£21.88. If paying by instalments, please remember to put an end date in your instruction!

- If setting up online to pay in full or by instalments, please make sure your payment is referenced 'GCS subscription' so it can be easily identified. Whichever method is used, it really helps if either the full payment or the first instalment is made during September.
- The bank details are as usual ie Gloucester Choral Society, sort code 40 52 40, account number 00007718

Thank you to all those who are able to gift aid your subscriptions – the resulting tax receipt boosted GCS funds by an amazing £5,000 this last year.

If you have any queries about subscriptions or gift aid, please do contact me on subscriptions@gloucesterchoral.com
